Deposit Policy

At Mesko Glass, we require a 50% deposit on all retail installation projects at the time of order placement. This deposit is necessary to initiate the procurement of materials and schedule the installation. Deposits can be made by phone (570-421-5260) or by dropping off a check or cash to our retail showroom in East Stroudsburg.

Exceptions:
Customers with an active approved account status may place orders without an upfront deposit.
However, if a customer on account has:
- Failed to pay a prior invoice, or
- Consistently made late payments,
they will be removed from account status and must provide a 50% deposit on all future orders.

We appreciate your understanding as this policy allows us to maintain fair and timely service for all of our customers.
